

External Examination Results 2022

Once again, our Year 6 pupils have achieved outstanding success in the external examinations for the Independent Senior Schools. One pupil was awarded an Academic Scholarship and two other children awarded a Sports Scholarship from the Independent Senior Schools to which they applied. This continues our fantastic record of having at least one child achieve a scholarship for the last twenty-five years at Gracefield.

Parents have a wide choice of secondary schools available and we aim to help them choose the right school for their child. We believe that by waiting until eleven years of age the children have benefited enormously from our wide curriculum and extra-curricular activities. They have also enjoyed the privileges and responsibilities of being the most senior pupils in the school.

Places children were offered in 2022 were:

Bristol Grammar School
Winterbourne International Academy
Collegiate School
Bristol Metropolitan Academy
Tockington Manor School
Mangotsfield School

The academic results reflect enormous credit upon pupils, parents and staff. The foundations are soundly laid in the Early Years. The process is further developed throughout Key Stage 1 and Key stage 2. All teachers play a significant role in a child's educational development and contribute endless time and effort. Whilst at this moment we celebrate the achievements of our Year 6 children, we must not forget that academic success should not be the sole pursuit of any school and, more specifically, at Gracefield School. Our aim is to enable every child to reach their potential in as many areas as possible and to leave us as confident, courteous, caring young people who are ready for the challenges ahead.

Additional Information:

- The number of pupils in Year 6 was 11 (5 boys and 6 girls)
- Scholarships were offered for Collegiate School and Tockington Manor School
